

REMARKS

Applicants amend the specification to cross-reference related applications. The title has been amended. In addition, amendments to pages 12-13 have been entered. These amendments correct errors in the Japanese specification, which are apparent when read in light of the translated English specification. Finally, a replacement Sequence Listing updating fields 110-170 has also been submitted. No new matter has been added by the present amendments.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 23 December 2005
